Linear Algebra for Calculus (supplemental text), by Heuvers at al.
GRADING SCHEME: Quizzes 10%
4 tests + final test 90%
ATTENDANCE POLICY: Attendance will be checked daily. Each three absences
not excused according to the University Policy will result in dropping your final grade by
one letter grade (that is, a grade point).
CHEAT SHEET: At each test you can have a sheet with formulas. The
formulas will have to be hand written on a page specially prepared by me for the given test.
They will become a part of the test, that is, you have to include them when returning the test. I
will distribute these specially marked sheets about a week before each test, together with the
sample test.
DROPPING TEST SCORES: For each test (regular or final) you will be able to obtain
100 points. The final is worth 1.5* any mid term test. Anybody that will not request a make-up
test (see below for the exceptions) will have the following “dropping-the-worst-score” policy:
if your worst score is for one of the regular tests, this score will be dropped, and your final will
be worth 1.5* a value of a regular test; if your worst score is for the final, I will count all
regular tests, and the value of that final will be a half of that of a value of a regular test.
NO MAKE-UPS! I will not give you any make-ups. If someone will
miss a test the score 0 will be dropped according the rule described above.
QUizzes: There will be a 5-10 minutes quiz each Tuesday.
The exercises will be chosen from the homework assignments that are listed in a Departmental
part of the syllabus. (As whole exercises, or their parts.) There will be no make-up quizzes.
No formula sheets of any kind will be allowed on quizzes.
GRADING SCALE:
A 90-100%
B 80-89%
C 70-79%
D 60-69%
F below 60%
FINAL EXAM: The final exam will be comprehensive.

West Virginia University is committed to social justice. I concur with that commitment and expect to maintain a positive
learning environment based upon communication, mutual respect, and non-discrimination. Our University does not discriminate on
the basis of race, sex, age, disability, veteran status, religion, sexual orientation, color or national origin. Any suggestions as to how
to further such a positive and open environment in this class will be appreciated and given serious consideration.

1There are some cases in which you have a right to request a make-up test. However, if you choose so, you will lose your “drop-the-
worst-score” privilege. In this case, I will count all the tests, including make-up test, the remaining regular tests and a final, add their
scores (with the maximum possible sum equal to 550) and the result will be prorated. In any rate, the reasons for make-up test must be
well documented, and the make-up test will be given during last week of classes.
